MATTHEWS
GROUP (Pty) Ltd

Power Solutions

ABOUT

The Matthews Group (Pty) Ltd is an owner run company that has a directorship with a combined active operational experience in the electrical energy and construction sphere of in excess of 40 years. This extends into all spheres of electrical construction and engineering.

With the ever-increasing cost of electrical energy and the unreliable and inadequate electricity supply in certain areas of the country, MG have concentrated their efforts in the area of sustainable energy installations. This includes energy audits and the optimisation of generating plant and the installation of sustainable alternative energy sources, such as PV systems.
